CLA has been demonstrated to be a fat burner and health promoting nutrient due to its effect on a genetic signaling receptor family named PPAR which is related to fat burning, steroid signaling, inflammation, and glucose/lipid metabolism.

CLA helps reduce body fat and increase lean muscle tissue. Studies demonstrate that CLA inhibits lipoprotein lipase, an enzyme which breaks down fat globules so they can be absorbed and stored as fat cells in the body. By inhibiting this enzyme, CLA helps reduce the amount of fat deposited and stored throughout your body. CLA increases lean muscle tissue while maximizing your body's fat-burning potential. This way, you lose weight in the right places.

- Weight management support
- Helps burn fat
- Shown to aid in improving lean muscle tone
- Supports lean body composition
- Supports retaining muscle while reducing body fat
- Supports a healthy immune system
- All natural safflower oil source
- Stimulant free

SUPPLEMENT FACTS		
Serving Size: 3 capsules Servings per container: 30		
	Amount Per Serving	% Daily Value
Calories	30	
Calories From Fat	30	
Total Fat	3g	1.5%*
CLA(Conjugated Linoleic Acid)	2400mg	†
* Percent Daily Values are based on a 2,000 calorie diet. † Daily Value not established.		
Other Ingredients.		
Gelatin, Vegetable Glycerin, Purified Water, Natural Caramel Color.		

Preservative Free, Sugar Free, Lactose Free, Gluten Free
Contains: No Preservatives and No Artificial Colors or Flavors

Directions: Take 3 softgels with a meal daily.

This bottle has been sealed for your protection. Do not use if the inner seal is missing or damaged. Lot number and Best Before (BB) date stamped on the bottom of the bottle.
