

LIV

LIV LIFE WELL LIV LIFE WELL

Green2O is a pH-balanced alkaline instant beverage you mix with water. It floods your body with chlorophyllins, fulvic minerals, and antioxidants. These nutrients replenish your electrolytes, aid in the production of energy, and help cleanse, protect, and balance your body. Drink Green2O all day long to hydrate your body with the goodness of liquid sunshine*.

Directions: Empty one stick pack into 32-44 oz. of water and shake to dissolve. Drink all day long. For best results, use in conjunction with the other Liv International products.
