

# WHAT MAKES ~~LIV S~~inney WORK?

**CHLOROPHYLLINS**  
Full of blood building properties and antioxidants, chlorophyllins promote cleansing and detoxing, and have anti-inflammatory properties and weight loss benefits.

**GARCINIA CAMBOGIA,**  
Known to suppress appetite, enhance fat-burning, block fat storage, and improves mood.

**POTATO PROTEIN**  
Helps produce a feeling of gastric fullness, and thus can help reduce food consumption. Potato protein also delays the emptying of the stomach. When it takes longer to empty your stomach after you eat it is possible to feel more full and satisfied.

**COLEUS FORSKOHLII**  
Helps build lean body mass and maintain healthy body composition through a cascade of chemical reactions that cause fat cells to essentially release their energy and melt away. Also shown to boost metabolism.

**BLACK PEPPER EXTRACT**  
Known as a "bioavailability enhancer", black pepper helps your body absorb all these great ingredients and use them in the best possible way.

**FULVIC MINERALS**  
Fulvic minerals help combat vitamin and mineral deficiencies in your diet. They help boost immune response and fight inflammation along with aiding in the removal of toxins. Fulvic minerals also help improve digestion, boosts nutrient absorption, and increases energy.

**VITAMIN & MINERAL BLEND**  
Including Chromium and B Complex. This blend supports energy production and healthy blood sugar levels

**PREBIOTIC FIBER**  
Assists in maintaining digestive health by promoting higher levels of good gut bacteria, ensuring regularity, and enhancing immune response.
