## WHAT PEOPLE ARE SAYING....

"My aches and pains are gone! I can't believe how good I feel every day. Who knew that drinking "green" would make me feel so good! I love my Green2O!" -J.F.

"I love this "magic green water"!!! So many good things have happened to me since LIV entered into my life! I think the best part is being off of my ADHD medication! Or maybe its my slowed heart rate. It could be that I feel so good all the time. I cannot decide!!!!" -Luella P.

"I have dropped 15 total inches and 5% in my total body fat percentage, and approx. 5 lbs. overall, even though I wasn't specifically trying for weight loss." -Jessica T

"I have more energy and feels stronger and am completely off soda!" -Louis T.

"What is in the Green drink!!! I was so mineral deficient that when I consumed Green2o - I could not believe the difference it made. My doctor was focusing on hormone imbalance - but it was the minerals. I just wanted more - and I don't do multi- level marketing - But this has changed my life!" - Cheryl L.

"I love Green2o! I drink it daily and so do my children. It's great not having to worry about what bad things I'm putting in their little bodies. Green2o is the goodness of nature! They absolutely love the minty taste and prefer it over juices. This is such a great alternative to get your little ones to drink more water and stay hydrated!" A.R.
